Request for Clarification Regarding GSA-2015-000452

FOIA Request: GSA-2015-000452

(b) (6)

This is a follow up to your GSA FOIA (GSA-2015-000452), in which you requested from our department/agency (and all divisions and agencies under your jurisdiction), all publicly available documents including, but not limited to:

- Any and all records of communication (including but not limited to letters, written requests, reports, telephone records, electronic communication, complaints, investigations, violation and memos) between your department (and all divisions and agencies under your jurisdiction) and the following individual:

Scott Walker, or his offices for the following dates:

- 2010-Present, when Walker was Governor of Wisconsin

- 2002-2010 , when Walker was Milwaukee County Executive

- 1993-2002 , when Walker was a member of the Wisconsin State Assembly

- Any and all freedom of information requests filed with your department / agency (and all divisions and agencies under your jurisdiction) mentioning the aforementioned Scott Walker.

The Freedom of Information Act provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all encompassing search of all records in order to respond to requests. As written, we need additional clarification to complete your request.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. However, prior to preparing the Responsive Documents, a Data Pull needs to be submitted in the formatted template below. However, based upon your Incoming Request, we are unable to identify the Mailboxes/Persons for whom you need us to search this information. For example, do you need us to search all GSA Leadership Mailboxes? - Specifically, if you know of a person(s) that you want us to search their mailbox, please identify this below.

Kindly see the below Template for submitting a Data Pull and Insert what you are requesting - be as specific and as narrow as possible.

1. Keywords: This would be the name of the Individual / Subject we are Searching

2. Timeframe: Insert specific Date Range (from & to)

3. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.

Please provide clarifications by Wednesday, March 11, 2015 otherwise we will interpret this as you no longer being interested in the matter and your FOIA request will be canceled without further notification on our part. This action does not constitute a denial of your request nor does it affect your rights to submit future FOIA requests to this Agency.

Please reference FOIA Request number GSA-2015-000452 when you respond.

Thank you kindly.

Final Disposition, Request GSA-2015-000474	(b) (6)	(UNSENT)	03/24/2015		
GSA-2015-000474 has been processed with the following final disposition: Records not reasonably described.					
Request for Clarification FOIA Request Number: GSA-2015-000474	(b) (6)	(b) (6)	03/05/2015		

(b) (6)

This is a follow up to your GSA FOIA (GSA-2015-000474), in which you requested from our department/agency (and all divisions and agencies under your jurisdiction), all publicly available documents including, but not limited to:

Any and all records of communication (including but not limited to letters, written requests, reports, telephone records, electronic communication, complaints, investigations, violation and memos) between your department (and all divisions and agencies under your jurisdiction) and the following individual:

Randal "Rand" Paul, or his offices for the following dates:

1990 - 1994: when Rand Paul was president of the North Carolina Taxpayers Union

1994 - 2011, when Paul was chairman of Kentucky Taxpayers United

1997 - 2014, when Paul was president of the National Board of Ophthalmology

2011 - Present, when Paul was the junior U.S. Senator from Kentucky

Additionally, you requested any and all freedom of information requests filed with your department | agency (and all divisions and agencies under your jurisdiction) mentioning the aforementioned Randal "Rand" Paul.

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not tens-of thousands of potentially responsive documents.

The Freedom of Information Act provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

1. Keywords: This would be the name of the Individual/Title / Subject we are Searching- i.e. First Name, Last name, Title, Subject
2. GSA component or office you believe created and/or controls the record. For i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
3. Timeframe: Insert specific Date Range (from & to)
4. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.  
i.e First Name.Last Name@Company/Govt Email Address

Please resubmit your request containing a reasonable description of the records you are seeking. Upon receipt of a perfected request, you will be advised as to the status of your request.

If we do not receive an amended request from you within 10 business days from the date of this letter (Thursday, March 19, 2015), we will assume you are no longer interested in the FOIA request and will consider your request withdrawn. Please be advised that this action is not a denial of your request and will not preclude you from filing other request in the future.

The FOIA Requester Service Center is available to discuss this FOIA request with you in more detail. Should you need to contact our office again about this matter, please reach us at our Toll Free number (855)-675-3642 and refer to the GSA number GSA-2015-000474.

Thank you in advance for your assistance.

 2001 - 2001, when Ted Cruz was Associate Deputy Attorney General for the U.S. Department of Justice  
 2001 - 2003, when Ted Cruz was Director of the Office of Policy Planning for the Federal Trade Commission  
 2003 - 2008, when Ted Cruz was Solicitor General of Texas, Office of the Attorney General  
 2004 - 2009, when Ted Cruz was an Adjunct Professor at the University of Texas School of Law  
 2008 - 2013, when Ted Cruz was a Partner at Morgan Lewis & Bockius  
 2013 - Present, when Ted Cruz was U.S. Senator

Additionally, you requested any and all freedom of information requests filed with your department / agency (and all divisions and agencies under your jurisdiction) mentioning the aforementioned Rafael Edward "Ted" Cruz.

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not tens-of thousands of potentially responsive documents.

The Freedom of Information Act provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

1. Keywords: This would be the name of the Individual/Title / Subject we are Searching-  
i.e. First Name, Last name, Title, Subject
2. GSA component or office you believe created and/or controls the record. For  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
3. Timeframe: Insert specific Date Range (from & to)
4. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information

will be searched for and retrieved.

FOIA Request: GSA-2015-000479

(b) (6)

This is a follow up to your GSA FOIA (GSA-2015-000479), in which you requested from our department/agency (and all divisions and agencies under your jurisdiction), all publicly available documents including but not limited to:

- Any and all records of communication (including but not limited to letters, written requests, reports, telephone records, electronic communication, complaints, investigations, violation and memos) between your department (and all divisions and agencies under your jurisdiction) and the following individual:

Christopher "Chris" J. Christie, or his offices, for the following dates:

- 2010-Present, when Christie was Governor of New Jersey
- 2002-2008, when Christie was U.S. Attorney for the District of New Jersey
- 1995-1998, when Christie was a member of the Morris County Board of Chosen Freeholders
- 1987-2002, when Christie was a lawyer at Dughi & Hewit, P.C.

- Any and all freedom of information requests filed with your department I agency (and all divisions and agencies under your jurisdiction) mentioning the aforementioned Christopher "Chris" J. Christie.

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not tens-of thousands of potentially responsive documents.

The Freedom of Information Act provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

1. Keywords: This would be the name of the Individual/Title / Subject we are Searching-  
i.e. First Name, Last name, Title, Subject
2. GSA component or office you believe created and/or controls the record. For  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
3. Timeframe: Insert specific Date Range (from & to)
4. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.  
i.e First Name.Last Name@Company/Govt Email Address

GSA-2015-000481 has been processed with the following final disposition: Records not reasonably described.

Request for Clarification FOIA Request No: GSA-2015-000481	(b) (6)	(b) (6)	03/05/2015	
---	---------	---------	------------	--

Good Afternoon, (b) (6)

This is a follow up to your GSA FOIA (GSA-2015-000481), in which you requested from our department/agency (and all divisions and agencies under your jurisdiction), all publicly available documents including, but not limited to:

Any and all records of communication (including but not limited to letters, written requests, reports, telephone records, electronic communication, complaints, investigations, violation and memos) between your department (and all divisions and agencies under your jurisdiction) and the following individual:

Marco Rubio, or his offices for the following dates:

2011- Present, when Rubio was U.S. Senator from Florida  
 2000 - 2009, when Rubio was a member of the Florida House of Representatives  
 1998 - 2000, when Rubio was a West Miami City Commissioner  
 2008 - Present, when Rubio was employed at Florida International University  
 2002 - 2004, when Rubio worked at Becker & Poliakoff  
 2004 - 2011, when Rubio worked at Broad & Cassel  
 2008 - 2011, when Rubio worked at Marin & Sons  
 2009 - 2012, when Rubio worked at Florida Strategic Consultants

Additionally, you requested any and all freedom of information requests filed with your department I agency (and all divisions and agencies under your jurisdiction) mentioning the aforementioned Marco Rubio.

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not tens-of thousands of potentially responsive documents.

The Freedom of Information Act provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

1. Keywords: This would be the name of the Individual/Title / Subject we are Searching- i.e. First Name, Last name, Title, Subject
2. GSA component or office you believe created and/or controls the record. For  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
3. Timeframe: Insert specific Date Range (from & to)
4. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.  
i.e First Name.Last Name@Company/Govt Email Address

Please resubmit your request containing a reasonable description of the records you are seeking. Upon receipt of a perfected request, you will be advised as to the status of your request. [Remove](#)

If we do not receive an amended request from you within 10 business days from the date of this letter (Thursday, March 19, 2015), we will assume you are no longer interested in the FOIA request and will consider your request withdrawn. Please be advised that this action is not a denial of your request and will not preclude you from filing other request in the future.

The FOIA Requester Service Center is available to discuss this FOIA request with you in more detail. Should you need to contact our office again about this matter, please reach us at our Toll Free number (855)-675-3642 and refer to the GSA number GSA-2015-000481.

Thank you in advance for your assistance.

Final Disposition, Request GSA-2015-000585	(b) (6)	(b) (6)	04/09/2015		
GSA-2015-000585 has been processed with the following final disposition: Records not reasonably described, in addition to not providing our Office with the Response to the Clarification that was due on April 8, 2015.					
GSA-2015-000585 - Request for Clarification	(b) (6)	(b) (6)	03/25/2015		

(b) (6)

This is a follow up to your GSA FOIA (GSA-2015-000585), in which you requested the following as outlined in detail below:

"Any direct correspondence, including electronic correspondence, between your agency and U.S. Senator Roy Blunt (R-MO) or the staff of U.S. Senator Roy Blunt between January 2011-present.

Direct correspondence should include letters, emails, reports, and other relevant material. I am not seeking any secondary material such as phone logs, notations of conversation, etc."

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not tens-of thousands of potentially responsive documents.

The Freedom of Information Act provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

1. Keywords: This would be the name of the Individual/Title / Subject we are Searching-  
i.e. First Name, Last name, Title, Subject
2. GSA component or office you believe created and/or controls the record.  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
3. Timeframe: Insert specific Date Range (from & to)
4. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.  
i.e. First Name.Last Name@Company/Govt Email Address

Please resubmit your request containing a reasonable description of the records you are seeking. Upon receipt of a perfected request, you will be advised as to the status of your request.

If we do not receive an amended request from you within 10 business days from the date of this letter (Wednesday, April 8, 2015), we will assume you are no longer interested in the FOIA request and will consider your request withdrawn. Please be advised that this action is not a denial of your request and will not preclude you from filing other request in the future.

Please be advised, our Office is available to discuss this FOIA request with you in more detail. Should you need to contact our office again about this matter, please reach us at our Toll Free number (855)-675-3642 and refer to the GSA number GSA-2015- 000585.

Thank you in advance for your assistance.
